MEMORANDUM

January 11, 1967

TO: Boston Redevelopment Authority  
FROM: Francis X. Cuddy, Development Administrator  
SUBJECT: CERTIFICATE OF COMPLETION  
JAMAICAWAY PROJECT

**SUMMARY:** This memorandum requests that the Board authorize the issuance of a Certificate of Completion to Jamaicaway Development Company, Inc., the Redeveloper of the Jamaicaway Project.

Construction of the thirty-story high-rise tower in Jamaica Plain, consisting of 262 dwelling units and related service facilities, commonly known as the Jamaicaway Project, has been satisfactorily completed by the Redeveloper, the Jamaicaway Development Company, Inc., and its general contractor, in accordance with the final plans and specifications and the terms and conditions of the Agreements pertaining to this project by and between the Boston Redevelopment Authority and Jamaicaway Development Company, Inc., dated April 26, 1963 and November 16, 1964.

The Redeveloper and the FHA are now prepared to conduct the final closing in accordance with an FHA Section 220 Commitment to insure the mortgage upon completion of the improvements, and the Redeveloper has accordingly requested the issuance of a Certificate of Completion to which it is now entitled pursuant to the provisions of the above-described Agreements. A prerequisite to the closing is the issuance by the Boston Redevelopment Authority of this Certificate.

It is recommended that the Board adopt the attached Resolution authorizing the Development Administrator to issue a Certificate of Completion for the Jamaicaway Project to the Jamaicaway Development Company, Inc.
